ARSTEMLABS

Arlektra Technology Demo

If you would like to learn a little more about Arlektra, and see the technology that is used in action, just follow the few short steps listed below!

1) Print this paper out at actual size. (Black & White or Color)

2) Download the Arlektra app to your compatible iOS or Android mobile device.

3) In the Arlektra app, choose 'Guest Menu'

4) Lastly, choose an available lesson - then point the rear camera of your device
   10 inches away from this paper, and enjoy!
