# AR STEMLABS

Arlektra Mini™ Technology Demo

If you would like to learn a little more about Arlektra Mini, and see AR technology in action, just follow the few steps listed below!

1) Print this paper out at actual size. (Black & White or Color)

2) Download the Arlektra Mini app to your compatible iOS or Android mobile device.

3) In the Arlektra Mini app, choose 'Guest Menu'

4) Lastly, choose an available lesson - then point the rear camera of your device
   10 inches away from this paper, and enjoy!
